

COOKIE POLICY

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses „cookies”, that are small text files placed on the Users computer to help the website analyze how visitors use the website.

The information generated by the cookies regarding the use of the website (including the IP address) will be transmitted to and stored by Google on servers. Google will use this data for the purpose of evaluating the use of the website, compiling reports on website activity for website operators and providing other services regarding the website activity and internet usage. Google may, also, transfer this information to third parties where required to do so by law or where such third parties process the information on Google’s behalf.

The Users of this website may refuse the use of cookies by selecting the appropriate settings in your browser. However, it is recommended not to delete cookies, for deleting them may affect the functionality of this website. Cookies may be deleted from both the computer and any device. To manage and delete cookies, go to the “Help” section on your browser and choose the Disable option or choose the option to receive a notification each time a new cookie is sent to your device.

By using this site you agree to process your data by Google for the purposes referred to above.

You may prevent the collection and use of data by Google by downloading and installing the browser plug-in available on <https://tools.google.com/dlpage/gaoptout?hl=en>

Please note that this website initializes Google Analytics with the setting *anonymizeIp*.

This setting guarantees anonymized data collection by making the last part of your IP address.

You can find further information about the terms and conditions of use and data privacy on <https://www.google.com/analytics/terms/gb.html> or <https://policies.google.com/?hl=en>
